RISKS TO INVESTORS

For details, refer to section titled "Risk Factors" on page 21 of the RHP.

- One of the Object of Issue is acquisition of equity shares of Falcon Yarns Private Limited ('Falcon') at ₹33.33 per Share based on valuation report dated September 15, 2025, issued by CA Rohit Maloo, Registered Valuer which is higher than the buyback price of ₹14.46 per share undertaken by Falcon on September 13, 2024:** On September 13, 2024, Falcon had undertaken a buyback of 11,546,400 equity shares from its existing equity shareholders at a price of ₹14.46 per equity share, aggregating to a total buyback consideration of ₹1,669.61 lakhs. The said transaction was aimed at enabling its existing shareholders to realise a portion of accumulated reserves, which was approved by the Board and Shareholders of Falcon vide their meetings dated August 19, 2024, and September 3, 2024, respectively. In contrast, the proposed acquisition of Falcon by our Company constitutes a third-party transaction based on valuation report dated September 15, 2025, issued by CA Rohit Maloo and share purchase agreement dated September 22, 2025 at acquisition price of ₹33.33 per Share with aggregate negotiated purchase consideration of ₹13,151 lakhs. The difference between the acquisition price and the buyback price arises due to the distinct nature, objectives and timing of the two transactions. The acquisition price was negotiated to strike a balance between the return on their investment acceptable to existing shareholders of Falcon while ensuring that acquisition cost can be consummated by our Company.
- Compounding applications under the Companies Act, 2013:** In the past, certain lapses occurred in respect of statutory compliances, for which our Company has filed applications for adjudication and compounding before the Registrar of Companies under Section 454 of Companies Act, 2013, respectively. Such non-compliances include (i) Contravention of Section 49 of the Companies Act w.r.t. requesting call money from shareholders on an uneven basis and also accepting part payments after the due date of the call in FY 2014-15, (ii) Contravention of section 161 of Companies act as Jashwant Valjibhai Patel, Sanjaybhai Pranivanbhai Saidva and Chintan Dharamshibhai Sitapara were appointed as director in board meetings instead of additional directors, (iii) Contravention of Section 203 of the Companies Act as Company was required to appoint whole-time Company Secretary in FY 2014-15 and FY 2015-16, but the appointment was not made within the prescribed timeline and (iv) Contravention of Section 135 of the Companies Act w.r.t. applicability of provisions relating to Corporate Social Responsibility during FY 2017-18 to FY 2022-23 however prescribed CSR expenditure was not made during this period. Company has made suo-moto application under separate Form No. GNL 1 for said contraventions for adjudication or compounding, as applicable before the RoC, Gujarat at Ahmedabad. All the adjudication or compounding applications has been approved by RoC but as on date of the RHP no notice have been issued.
- Non-compliance with the requirements of Section 138 of the Companies Act, 2013 during Financial Years 2021-22 to 2023-24:** During FY 2021-22 to 2023-24, Company did not appoint an internal auditor as required under Section 138 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014, upon meeting the prescribed thresholds in relation to turnover and borrowings. The Company has since rectified this lapse by appointing Zapda & Associates as its internal auditor for Financial Year 2023-24. Company has filed Form GNL-1 on September 27, 2025 with the RoC, Gujarat at Ahmedabad, seeking suo moto adjudication under Section 454 of the Companies Act, 2013. The adjudication application has been approved by the RoC, but no notices have been issued.
- Dependence on 7 Seas Impex for majority of our sales outside Gujarat and exports:** We sell our products in domestic markets directly as well as through resellers. While our sales within Gujarat are undertaken directly by Company, whereas majority of our sales of cotton yarns outside Gujarat are effected through our reseller, 7 Seas Impex. For the nine month period ended December 31, 2025, and the last three fiscals, a significant portion of our revenue from operations has been derived through this reseller, which accounted 22.99%, 33.88%, 54.73% and 66.61% of our revenue from products (domestic sale), respectively.
- Operations are dependent on a single Manufacturing Facility:** We operate through our semi-automated and integrated ginning and spinning manufacturing facility located at Halvad, Morbi, Gujarat. Our Manufacturing Facility is central to our operations, and any disruption may have a direct adverse impact on our ability to procure cotton bales, produce yarn, and deliver products to our customers on time.
- Related Parties Transactions:** We have entered into transactions with our related parties, including our Promoters, members of our Promoter Group, and their relatives. These transactions, as disclosed in the section titled "Related Party Transactions" on page 301 of the RHP, include, among others, availing of unsecured loans and the acquisition of certain immovable properties. While all such transactions have been conducted to meet our business requirement and on an arm's length basis, we cannot assure you that we will be able to maintain this in the future or that all future transactions with our related parties will be on terms comparable to those that could be obtained in transactions with unaffiliated third parties or our related parties may have interests that conflict with the interests of our Company.
- Any downgrade of our credit ratings could adversely affect our business:** Following are our credit ratings received for our fund based and non-fund based facilities:

| Fiscal Year | Rating Agency | Rating Report Date | Instrument / Facility | |
|-------------|--|--------------------|-----------------------|-----------------------|
| | | | Fund based Limits | Non-fund based limits |
| 2026 | Infomercs Valuation and Rating Private Limited | February 13, 2026 | IVR BBB+/Stable | IVR A2 |
| 2025 | Infomercs Valuation and Rating Private Limited | February 14, 2025 | IVR BBB+/Stable | IVR A3 |
| 2024 | India Rating and Research Private Limited | July 10, 2024 | IND BB+/Positive | IND A4+ |
| 2023 | India Rating and Research Private Limited | May 02, 2023 | IND BB+/Stable | IND A4+ |

Any downgrade in our credit rating may lead to increase in interest rates for our outstanding debts and/or its refinancing, which adversely affect our future issuances of debt and our ability to raise new capital on a competitive basis. In some instances, previous rating agencies classified our rating as "Issuer Not Co-operating" and was also placed under "Non-Cooperating Category". Although we had taken measure to rectify the same and have strengthened our internal processes, there can be no assurance that such lapses will not recur.
